<input type="checkbox"/> CHIP Quantitative Outcomes Tracker – Carmen Barbuto, KPH <input type="checkbox"/> Updates on CHIP following Outcomes Tracker <input type="checkbox"/> Additional CHIP updates	<p>S1: Implement Healthy Foods & S2: Increase Business Partnership (Tami)</p> <ul style="list-style-type: none"> ● Met with Fredericktown Superintendent of Schools for community gardens project ● Working with Hospital for healthy meetings and foods policy <p>S3: Implement a community-wide physical activity campaign</p> <ul style="list-style-type: none"> ● No updates <p>Mental Health</p> <p>S1: Expand MHFA</p> <ul style="list-style-type: none"> ● All trainings suspended due to COVID ● Hope to initiate in the Summer or Fall ● National council offered several webinars for virtual training; no action from National Council 	

- At Board level ramped up community prevention: Podcast, radio, social media, etc- anxiety and depression education; COVID-19 stressors
- Working with employers to manage persons stress coming back to work
- When able to resume, Carol (Chamber of Commerce) work with local employers as needed

S2: Increase community awareness (KSAAT)-

- Tina helping with drive thru testing
- (Carmen)Hidden in Plain Sight will be transitioning to a on-line training
- (Lori) Funding is being received for that activity and partnership. More updates to come.

S3: Continuing Ed:

- Jeff will need to rewrite/restructure this area

Access to Care

S1: Jeff & KPH

- Simple strategies to compare the number of screenings being completed. Track on how well word was being disseminated for screening.
- COVID-19 stopped action

S2: Sexual Health Education & Prevention (Carmen & Lori)

- Draft of a project plan
- Focus on a tangible pamphlet in to the hands of parents
- Incorporating an online component
- Will resume amidst COVID-19 activities

Cross Cutting Factors

Factor 1 (Trauma Informed Care- Susan)

- Compiled a good resource list to be shared with KHPP community and their circles of influence
- Researching some community online resources

Factor 2- Cessation

- Mike not on call, no official update
- (Carmen) Classes cancelled due to COVID
- (Tami)Online resources for cessation have been shared

Agency Updates

- How are you doing? What challenges are you facing? What have you been doing in response to Covid-19 to help your clients, your staff, yourself?

- Carmen provided background: Help KPH to identify pandemic gaps and develop future plans.

- Chamber of Commerce
 - o Reopening toolkits given to local business
 - o KPH documents included to follow proper reopening guidelines
 - o Agency hand sanitizer refilling station (free)
 - o Some masks are still available; started with around 1000
 - o Talking with recovery task force, county representatives, to report what's happening in the area
 - o Troyers has closed; just ready to retire..
 - o If there are any businesses or organizations in need, please let Chamber of Commerce know
 - o \$190,000 of \$300,0000 still available. 0% interest loans via area development foundation, but that must be paid back. Listed on COVID-19 resources websites

- Licking/ Knox Mental Health & Recovery Board
 - o Providers in their system of care have been amazing
 - o Sites were shut down and telehealth transitions happened quickly
 - o Agencies faced challenges- billing, HIPAA, technology
 - o 11 residential care facilities had to be planned for and funds were advanced/ extended
 - o Suspended re-application period and extended contacts into the 2021

	<ul style="list-style-type: none"> year; eased the burden of providers <ul style="list-style-type: none"> o Board covered 100% of health care cost of furloughed persons o Board paying hazard pay for those who had to see providers in-person o PPE- gloves, masks, hand sanitizers provided to the mental health workforce. □ United Way <ul style="list-style-type: none"> o Very involved in three programs, KAT, Chamber, and Health dept o Recovery kits include masks, hand sanitizer and recovery “How To” from KPH. KAT Cares grant covered much of the recovery kits. Kits should be distributed in the next two weeks to Freedom Center to complement hot meals; 3000 kits o To assist with persons who fall through the cracks, delivery program (medication and groceries) initiated o Pilot Program with Interchurch to help persons get to out of county medical appts; with KATs assistance- paid for by United Way o COVID response and recovery fund. Help from Kenyon College and the community. A little over \$45,000. Expected the funds to be used after unemployment, tax returns, and stimulus money □ Ariel Foundation <ul style="list-style-type: none"> o Releasing funds on existing grants earlier to help organizations o Reach out if something is going on or if your organization has ideas □ Kenyon College <ul style="list-style-type: none"> o Online learning after Spring Break o Working to bring faculty and staff back safely while beginning to plan for the Fall 2020 semester o TalkSpace provided to our students for mental
