News Release – 1 page

Residents can request to not have their property sprayed if their area is scheduled for an upcoming date by calling Nate Overholt at 740-392-2200 Ext. 2228 or submit your request by e-mail to eh@knoxhealth.com.

For Immediate Release

Date July 7, 2020

Mosquito Spraying Schedule

The Knox County Health Department will provide spraying for mosquitos this week on the following date and location:

Wednesday	July 8	Fredericktown
Thursday	July 9	Centerburg

If the spraying is cancelled due to inclement weather, this will be rescheduled.

Spraying will take place after 8:30 p.m. Spraying may be delayed or cancelled due to bad weather conditions including rain, wind or low temperature.

For updates or schedule changes, please visit www.knoxhealth.com, facebook.com/knoxhealth or contact the health department at 740- 392-2200, ext. 2222.
